INSTRUCTIONS:

Please have the form completed and attached to your quilt before delivering your quilt.

Fill out the information on the front of the form. Fold in half so that the information is on the front of the quilt and this portion is on the back. The form also acts as a place to grab if someone is interested in examining the quilt closely or looking at the back.

You may also want to put the form in plastic if you are concerned about the ink running onto your quilt.

DO NOT FILL IN THE NO. _____.

THAT WILL BE DONE BY THE COMMITTEE.
